

INCOMPLETE GRADES

Purpose:

To define the parameters for issuance and management of incomplete grades.

Scope:

This policy applies to all currently enrolled students.

Policy:

- A. An Incomplete ("I") grade is temporary and may be authorized in the event of serious illness or personal emergency when requested by a student and approved by the course instructor and the dean of the student's college prior to the end of the examination period.
- B. A request for an Incomplete should be in the form of a written petition that specifies the date for its resolution, which should be no later than the Friday prior to the week before the beginning of the subsequent semester/Bucknell summer session.
- C. The grade to which the Incomplete will revert if the required work has not been completed by the specified date will be assigned by the instructor at the time the Incomplete is authorized.
- D. Extension of the deadline must be approved by the dean of the student's college and will be granted only under exceptional circumstances, such as may occur in the case of missed laboratory work.
