

CREDIT BY EXAMINATION

Purpose:

This policy outlines the procedures for undergraduate students to earn credit for designated courses through examination, demonstrating prior knowledge and mastery of learning objectives.

Scope:

This policy applies to all currently enrolled students.

Policy:

- A. Full-time undergraduate students in residence may earn undergraduate credit by examination, with a letter grade assigned, in courses approved by a department and by the dean of the college concerned. Credit by examination is not available to:
 - 1. graduate students;
 - 2. special students;
 - 3. students who have previously audited, withdrawn or failed the course;
 - 4. students on exchange from other universities; and/or
 - 5. persons who have never attended Bucknell University.
- B. A list of courses available for credit by examination is available from the registrar. Application for such examinations must be made at specific times on a form available from the registrar. Approval must be obtained from the department chair and dean of the college concerned. If approval is given, the nonrefundable credit by examination fee is to be paid to the cashier for each examination and the examination is to be taken at the appointed time.
- C. A maximum of six course credits may be earned from credit by examination, credit granted for achievement on comparable subject tests of the College Level Examination Program, and nontraditional study courses. (Note that these six course credits are in addition to the eight-course maximum permitted under "Advanced Placement & Credit.")
- D. Students in residence are expected to carry a minimum of three academic courses in each semester, not including possible credit by examination. Credit by examination grades of F are not recorded on the permanent record. The faculty is not expected to assist students in preparing for these special examinations.
